### “Fan Friday”

Is designed to raise the pride and support to the championship level that our present athletes have delivered to us. We want that championship level shown on campus and the entire Raleigh/Durham Triangle area. That spirit will be carried over to game day on Saturday.

Starting this Friday and every Friday when the Bears are at home, or playing in the area (vs. St. Aug. or NCCU) all students, faculty & staff, alumni and area fans are requested to wear our school colors (Maroon & White). To show our pride around the entire area, everyone must fly their Shaw U. car flags all day Friday & Saturday. Don't forget to wear your Maroon & White Saturday also.....

The Bears are going into the 2005 season with a seven game win streak and are ranked 25th in the Street & Smith Div.II preseason poll. Also among the two most recognized Black College Polls, the Bears are ranked 6th & 8th.
